CC 1 to CC 1000. It has finally ended. Semi-colons that mysterious mark of punctuation has finally found a place in our sentences ; now we know not to throw commas, around, like, confetti. What, Fragment?

Years of John Steinbeck & Mark Twain have made us part of the intellectually elite.

Dr. Barbara Finnegan

Finally with this acquired knowledge it culminated into the dreaded college essay. We had to decide how to change the world as a 17-year old in 300 words or less. A big task for people who can't decide what to wear to school. Nevertheless, with the help of our dedicated teachers we made a masterpiece that rivalled Shakespeare's, or almost!

TI-82s. Need we say more? Who knew that \$80.00 could buy a scientific calculator, video game, and Magna Doodle all in one? Our math teachers take every shape and form. They bravely lead us through the vortex of Pythagorean theorems, Pascal's triangles, and polynomials of an infinite degree. They constantly told us math would be applicable later on in life. Thank God we learned about the sinusoidal curve in order to calculate the amount of water flowing into the bathtub. On a more serious note, math courses at Hingham High have been taught by the mathematicians of the nineties, comparable to Newton. Not only do their minds rival Einstein's but their personalities help make the learning process more bearable. For example, Mr. Baisden's Chucky, Ms. Leone's "Good Woman!", and Mr. Olson's calculator wizardry lightened up the tedious task of learning mathematics. The days of math will always leave a firm impression (headache) on our mind.

The Hingham science teacher is as much a madman as he is a scientist. We were all perplexed by and petrified of Penny's Patented Paint Can. We were *almost* intimidated when Mr. Dirk told us that if we'd play, we'd pay and get The Deuce. We were amazed (and a bit jealous) of the fact that Mrs. Duffy's pinky finger has entered every orifice of every animals' body.

In the interim...Mr. Poole was stuck in his cranberry bog looking for the finest specimens to cook into juice or ferment into wine. Mrs Berlucci lived in the greenhouse, while Mr. Crowley was busy opening his windows, and Mr. Garland was shooting his homemade dart gun.

Then the rookies entered into this warped world of high school science. Ms. Flanagan got on our good side with the Abadessa's rumors and her chipper attitude and Mr. Stockdale gained favor with his electronics mastery. They were teaching machines, fueled by all the greats: Archimedes, Galileo, etc...

We, the class of 1996, would like to dedicate this year's yearbook to Mr. Paul Abrahamson. He has served Hingham High School for over thirty years, instilling in his students an appreciation of history. The halls of Hingham High will never be the same without him.

GOLF

The Golf team finished with a 12-4 record, and will be led by a returning senior Mike Hammond, who was named a league All-Star last year.

Our team which had two All-Stars and one honorable mention, was awarded the League Sportsmanship Award. They also reached the state qualifier in Div. I where they nearly defeated St. John's Prep in 1995.

Coach Curran is optimistic about next year and hopes to have the same success as last year if not more.

BOYS' TENNIS

The Hingham High Boys' Tennis team, led by coach Ron Bartels, finished their outstanding season of 16-2 in 1995.

Highlights of the season included making it to the state tournament as they had for many years previously. Matt Goulding was chosen as a League All-Star (as well as in 10th grade) and is the 1996 captain. Andrew Hurst played second doubles. The upcoming season is filled with veterans, Andrew Hurst, Daniel Edson, and Wes Marcks, who are anticipating to do as well as they did last year if not better!

SAILING

Sailing- the sport that is never recognized or considered a conventional sport of Hingham High. Little is known about these athletes who go into Boston three days a week, racing once a week, usually from two o'clock in the afternoon to seven o'clock at night. The seniors on the team are Christie Morgan, Jamie Maguire, Andrea Nutter, and Steve Gudmand. Led by coach Hugh Devine, they sail out of Community Boating on the Charles River in Boston. Their league is the Massachusetts Bay League and they are in the Red division. Some of the teams they face are significantly larger than Hingham High such as BC High and Milton Academy. Due to the small amount of people on the team, they failed to place as a team despite many first and second place individual finishes. One highlight of the 1995 season was that Christie Morgan and Steve Gudmand were named as best juniors of the regatta. The team will never forget the fun they had whether it was the taking the "T" into the meets or the "Mercs". The sailing team, who will be led by captain Christie Mogan is looking forward to the 1996 season.

BASEBALL

The Hingham High Baseball Team completed their most successful season in many years in 1995. They had a record of 14-6 and made it into the first round of the tournament. Next year looks just as promising with returning seniors Mike Meehan, Mitch Powers, Matt Devine, Dean Hutchison and Joe Mancuso. The captains will be chosen in the spring and will prepare the team for another victorious season.

BOYS' TRACK

The Boys' Spring track team completed a successful 1995 season with a record of 6-4. For the first time in six years they finished above a 500 average. Great individual performances produced a great season. Whether it was the amusing accessories of Mr. Herrmann (hat & sunglasses) or Ben's jokes on the bus, humor also highlighted the season. 1996's season promises to be successful under the leadership of captains Shaun Gean, the point doctor (average - 114 points a season), Ben Nastou, the A.C.L shot-putting champ & Nick Lamb, the most feared name among long distance runners.

GIRLS' TRACK

The Girls' Spring Track team finished the season with a record of 5-4. The girls were guided under the coaching of John Buckley and Trina Kirby. Whether it was Mrs. Kirby's pearls of wisdom or Mr. Buckley's promise of socks, performances improved steadily. The season of 95' was hard work but also fun. Team spirit was running high due to locker buddies or making fun of our coach's sandals! The season of 1996 will be led by Alyssa Thorvaldsen, the star hurdler and quarter miler, Megan Black, the two-miler who keeps going & going ..., and Jean Healey, the jav-queen. The girls' spring track team is looking forward to another great season, achieving personal goals & beating D-Y!

GIRLS' TENNIS

The Girl's Varsity Tennis Team had a great 1995 season, ending with a record of 11-5. Co-captain Katie Ryan led the team with a personal undefeated record of 16-0 at #1 singles. She was chosen for the All Star Team Atlantic Coastal League and the Patriot Ledger All Scholastic Team. Senior Blair Lacy was given an Honorable Mention for the All-Star Team. Coach Sides felt they put in a strong effort despite the loss of two players due to injury. Captain M. Kirkendall, K. Ryan, and K. Stepan look forward to a promising season.

BOYS' LACROSSE

The Hingham High Boy's Lacrosse team had one of its best seasons ever in 1995. The team was one of the top five in Eastern Massachusetts with a sixteen and two (16-2) regular season record. They were also the South Division League Champions for the third year in a row.

Coach John Todd considered the '95 team to be the most well-balanced team in school history. In the post-season, The Harbormen reached the Final Four for the third straight year and again lost to the eventual state champions. Now Hingham Lacrosse is getting some of the respect it deserves.

The 1996 season shows promise with fourteen (14) players returning from last year's group. This includes senior Tri-captains Rich Santoro, Ryan Hanrahan, and D.J. McBain; two first team All-Stars (Ryan Hanrahan and Rich Santoro) and three second team All-stars (Bill Meara, Mike Sheridan and D.J. McBain); three Herald All-Scholastics (Rich Santoro, Mike Sheridan and Ryan Hanrahan); two Globe and Ledger All-Scholastics (Rich Santoro and Ryan Hanrahan); and the second All American in Hingham High School history (Rich Santoro). Next year is stacked with talent.

Hingham High School Lacrosse has shown a strength and brutality unmatched by any other high school. They have stood strong in the face of all adversity. Whether it was the Weymouth "rock incident" or facing schools that are the size of our town they have triumphed and will continue to.

Dana Mortland defends the goal against Marshfield in the fifth game of the season. Hingham beat Marshfield 19 - 9.

Hingham's "Player of The Year", Rich Santoro, demonstrates his prowess over Weymouth.

The Class of '96 was well represented on the 1995 Lacrosse team. It's no wonder they were so successful! The HHS Softball Team despite a 4-14 record had a fun season in 1995. The 1996 season looks promising with Leigh Hubeny and Georgette Baxter as captains and many talented players returning.

Chrissy breaks some of the tension with a funny joke.

Georgette , one of next year's captains, makes a great play.

FALL SPORTS

FOOTBALL

The 1996 Football season was as action-packed as ever. The team finished 6-4 with the second winning record in ten years. The Harbormen's record is a bit deceiving because of last second losses to league rivals Randolph and Marshfield by a combined four points. Third year Head Coach Tony Rolfe and Staff led the team.

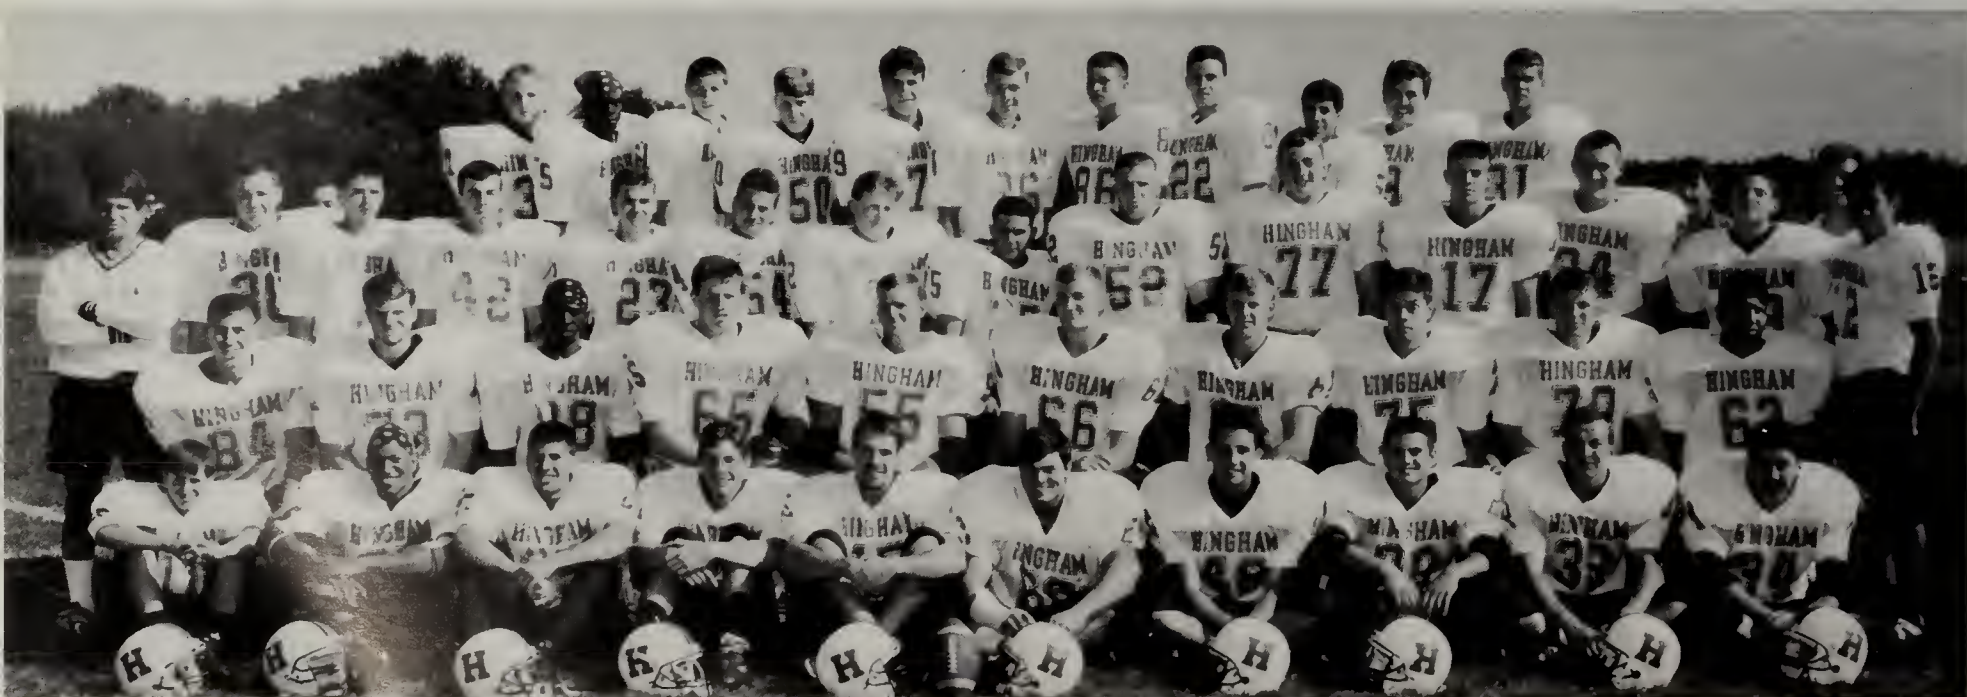

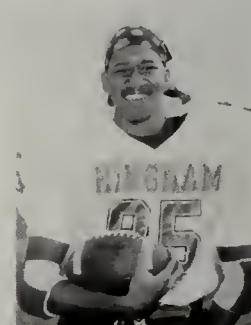

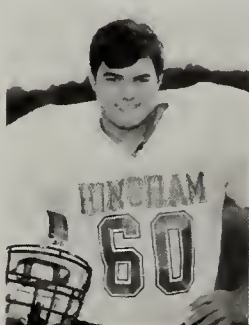

The captains were Steve Shore (Team MVP), Dana Mortland (Defensive MVP) and Mike Amaral (Offensive MVP). The captains led the team with help from other senior veterans:

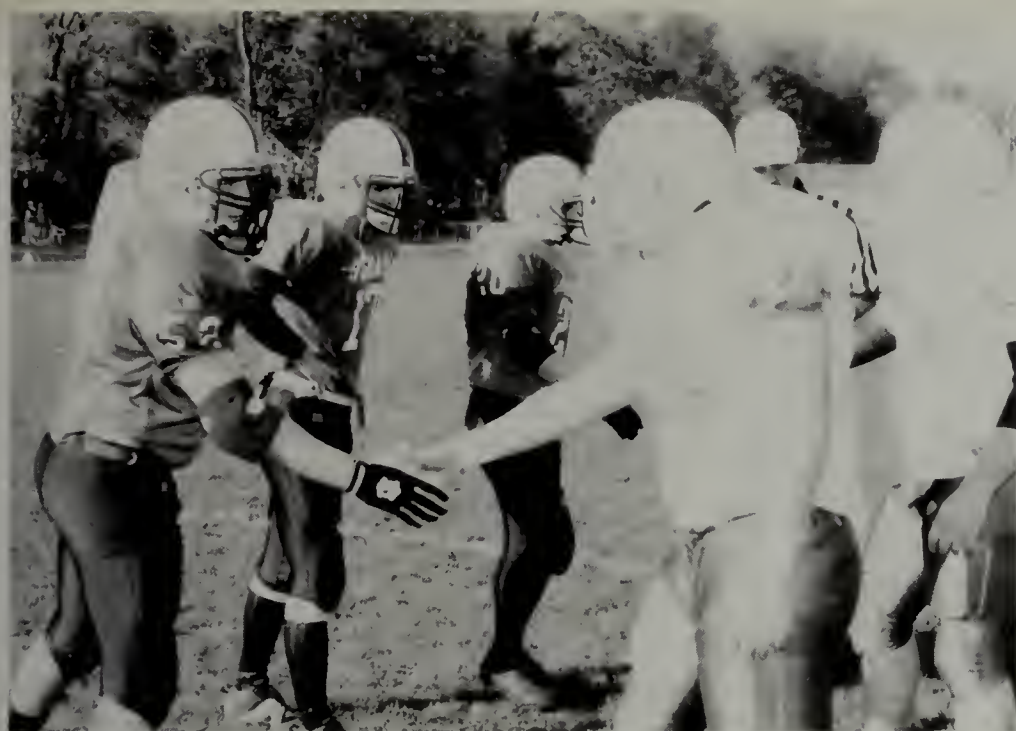

Taylor Lofgren, Kevin Lynch, Wes Marcks, Chris Bridges, Sean Foley,

Jeremy Blumberg, Mike Stebbins, and our Homecoming King, "The Meatball", Marco Agostino. A few rookie sensations, who came in as first year varsity players, contributed alot. They were Mike Nantel, Dean Hutchison, Mike "Tiny" Grafton, Dave Bruce, Shaun Gean, and Wes Baltzer. The 1996 edition of Harbormen Football was all about hard work and team unity which enabled them to have such a memorable

season. The team would like to wish all the returning and upcoming players good luck next season, and to thank Coach Rolfe & Staff.

POWDER PUFF

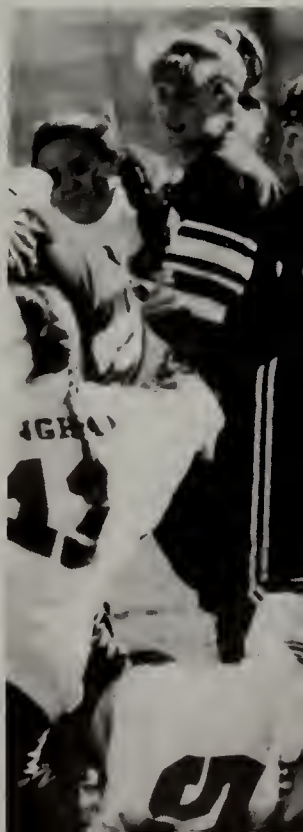

21-7 was the final score. Not a big surprise that the seniors won. Under the coaching of Dean H., Chris B., Mike "Tiny" G., Sean F., & Jeremy B. the players kicked some major junior @**. The captains were Kristy Hanrahan and Andrea Nutter, and the team was the combination of pure strength and desire to kill the underclassmen. In pre-game predictions Mr. Baisden said "the girls would win." And they did!

It's a vicious day, today, no one is coming out alive. This unfortunate junior regrets that she stepped foot on the field

CROSS COUNTRY

Pain is temporary, Pride is forever... This is the motto of the cross-country team which inspires them to keep on running. The 1995 season was very successful. The Girls' team had a record of 8-2 (with one loss on a tie). For the first time in Hingham High School history, they won the League Championship. At the state meet they came in 7th out of 32 teams (the top 5 qualify). The Boys' team, despite a record of 3-7, had a strong year individually. Nick Lamb was chosen as league all-star along with Megan Black and Katie Haggerty. The team, led by captains Matt Frucci, Jean Healey, Megan Black, and Nick Lamb, (as pictured left to right) had not only an athletically successful season, but a fun one

socially. Between pasta feasts and "shake and bakes", spirit was running high on the team. Whether it was the common bond of pain or being annoyed by underclassmen (Shut up Dan!), cross-country members are more than teammates they are friends. Key phrases that the runners will never forget are : "the Hill," Captain Matt "Rocket Thighs," Saturday mornings at Franklin Park, "Brigham's Runs," "Springs," and "ain't nothing gonna break our stride....".

BOYS' SOCCER

The Boys' soccer team had a great season this year. They completed the season with a record of 8-5-5. The team was led by captains Jon Germain, Ryan Hanrahan, and Mike Sheridan. Throughout the years many other seniors had been on the team and instrumental in the victories. The seniors are Josh Johnson, Billy Meara, Matt Goulding, Rich Santoro, and Mark Wohlgemuth. First-timer on Hingham High varsity soccer, senior Oystein Morck impressed everyone with his soccer ability. The team made it into the first round of the state tournament, but was then eliminated. The lack of depth on the team made success harder despite great individual performances. Mike Sheridan and Ryan Hanrahan were named as League All-Stars. The highlights also ranged from shaving their heads to taping up innocent freshman. Good luck in the years ahead!

Jon Germain doesn't let anything get in the way of his soccer game.

GIRLS' SOCCER

After being a south-sectional finalist in '94 they had a tough record to beat. This year's soccer team finished 5-12-1. The season started off strong but injuries and sickness hit the team midseason, the

league this year was also extra strong with five out of nine teams ranked in the Boston Globe as the top 20 in EasternMass.Despite

their record, each member improved their skills as an individual and as a team player. The captains Cristi Gigon & Cristina Sullivan wish the underclassmen on

the team the best of luck in the

future.A recap of the seniors'

FIELD HOCKEY

They had another great season this year, making it into tournament and ending with the record 10-4-3. Captains Beth Daly and Beth Connolly and, of course, Coach Gordon guided and supported the team throughout the season. They may not remember the score of each game, but they'll never forget the friends they made and all the fun they had. Here's to their memories: Jamboree '95, their annual victory over the soccer team in preseason, weekly spaghetti dinners, stolen cheese shakers from Papa Ginos, flashed on the highway, Debbi's display of affection for Middleboro, Ground Round, fighting over that stud, Jon Germain, show me your --, "I can't hear, I don't have my glasses on."

The captains, Beth Daly and Beth Connolly watch intently to the referee as she flips to see which team starts off the game.

CHEERLEADING

From Left to Right: Melissa Sciavo, Cassie Hurley, Julie Manchester, Jen Seremetis, and Nicole Baglione.

Football cheerleading has had a rebuilding year this season. The team was led by junior captains Nicole Baglione and Jenn Seremetis. They raised money from Homecoming tickets so they could get new uniforms. The lack of people this year has made it harder to perform the cheers. The team is grateful to juniors Hillary Baker, Hillary York, Melissa Falletti, and Kristin Spriano for temporarily joining the team to learn cheers for the pep rally. Senior Cassie Hurley has been on the team for many years and will miss the excitement of cheering for the football team.

Jen Seremetis and Nicole Baglione show their school spirit.

Jen, Nicole, and Cassie give a cheer at the rally.

WINTER SPORTS

Gymnastics

Hingham's Gymnastics team displayed an outstanding effort during this season. After winning the League Championship in 1993 the team experienced several rebuilding seasons. Although small in number this team has always shown outstanding sportsmanship. The league's sportsmanship award was given to senior Lisa St. Don. The captains this year Katie Whelan and Lisa St. Don, led the team, efficiently. The coach of the team was Josselyn Besse. Thanks to all for a great season.

Boys' Basketball

Mike reaches for the rim.

The winter of 1995-1996 produced a harbormen team that accomplished a winning season and a record of 12-7 with one more game needed to clinch a home court game in the Div. 2 state tournament. The Harbormen were a relentless pressing team, scoring on the fast break, often making 3-pointers. Hot shots Mike Amaral & Mitch Powers were co-captains. Other seniors included Steve Shore, Pat Driscoll, and Mike Muldoon. Talented underclassmen & seniors strived on work ethic & skill to make a winning season.

GIRLS' BASKETBALL

The Girls' Basketball team ended their regular season with a 13-7 record. The highlights of the season included the overtime wins over Dux. and W-H. The tri-captains Cristi Gigon, Katie Ryan, and Kristina Sullivan led the team with unerring support. Cristi was the highest scorer, Kristina finished the season with a 100% 3-point shooting average, and Katie was the defensive force. The underclassmen will continue the winning spirit. Go Camel-toes!

GIRLS' TRACK

This year the girls' indoor track team ran away with many victories. Under the coaching of Paul Maganello and leadership of

Jean prepares to throw the shot-put, another 27-footer

captains Alyssa Thorvaldsen, Jean Healey, and Megan Black they finished the season with a record of 4-2. Alyssa ran the 60 hurdles and 600 meters while Jean shot-putted and Megan braved 16 laps every meet in the two mile. The joys of winter track will never be forgotten - crammed bus rides, dry air at tracks, the infamous Middleboro meet, and the team spirit and support of each other developed during the season.

BOYS' TRACK

The Boys' Indoor Track Team finished a rebuilding season with a record of 2 - 4. Mr. Herman and captains Shaun Gean & Nick Lamb led the team through a blizzard and other obstacles to complete a successful track season. Shaun dominated in the 60 hurdles, 300 M., and the 600M., while Nick Lamb reigned supreme in long distance events ranging from the 2 mile, mile, and the 1000. Other seniors contributing fine performances were Keith Robinson, Nick Golden, Joe Campbell, Øystein Mørch & Andrew Hurst.

Wrestling

This year's Wrestling team finished one of their most successful seasons with a record of 20-0-1. Under the leadership of Coach Barges and Captains M. Barra, T. Lofgren, D. Mortland, and B. Nastou, they were the King Philip Tournament Champions, South Sectional Div. II champions, and the first place team in the ACL. In the South Sec. and King Philip Tournament Ben placed 1st, Dana 2nd, Matt 3rd, and Taylor (5th in Sec. and 1st in King Philip). Other talented seniors who placed in the sectionals were C. Fahey(1st), C. Bridges(2nd), M. Nantel(4th), M. Belushko(5th), and G.Youssef(7th). Senior Greg Bycoff finished his season with a winning record of 8-4 and Bob Bleidorn also had a very prosperous season. Congratulations to all!

HOCKEY CHEERLEADING

The captains of the Cheerleading team are Susan Silverio and Clair Rancourt, who have been on the team for the past four years teaching, coaching and being friends to all. The girls have been dedicated to the Cheerleading team, the Hockey team and the school, boosting spirit in everyone. The highlight for the team was when they cheered at Boston University in the 1994-95 season. They were coached by Mrs. Karen DelGallo who gave them a lot of time and support.

The real reason behind the success of the Hingham High Hockey team: the support and cheering of our cheerleaders.

Student Class Officers

Under the guidance of Mr. Thaxter and Mrs. Duffy, the dedicated advisors, the class of 1996 student council has had four productive years. There was never a dull moment. Homecoming certainly ranks as one of the most hectic times, with late nights spent on the float. (We won the float contest sophomore year, but who are we to hold a grudge?). Concession stands were efficiently run by Ellen McNulty with each year's stand raising more than the previous year. Thanksgiving came to soon as more late nights were spent putting together the wall. As most of the student council was artistically deficient, Chris MacMullen volunteered his time to organize the walls. We were all exhausted after the Holiday Day Care fundraiser. During the 9th and 10th grade

years, they prepared for their yard sale/car wash. Somehow they managed to pick the hottest day of the year, and by the end, everyone was ready to leave. Junior year they dedicated the spring to organizing Junior Prom. Special thanks to Matt Frucci for making the Junior video memorable. The senior class officers (Pres. Blair Lacy, V.P Matt McCourt, Sec. Ellen McNulty, Treas. Katie Ryan) have been in office for four years and have committed a lot of their time to make our high school years enjoyable. The schoolwide student council officers (Pre. Kim Stepan, V.P. Sarah Daubenspeck, Sec. Marc Landers, and Treas. Beth Connolly) have also made our school experience fun and successful.

Matt loses his head for the float. How noble!

American Field Service

This past year, AFS Club raised \$400 for charity, raked for the Hingham Friends Home, and went on an exchange to Wheeling, W. Virginia. Co-pres. M. Balunas & B. Lindquist, V.P. L. St. Don, Co-sec. M. Clifford and J. Sweeney, Treas. P. Gallivan, and Public Relations R. Stevens headed the group. The interest and dedication of the members made the year a prosperous and enjoyable one.

AFS Officers: Jill Sweeney, Patrick Gallivan, Ryan Stevens, Lisa St. Don, Megan Balunas, and Britt Lindquist.

Foreign exchange students are (L to R) Sally Wan Sze Chow, Francois Laurent, Sasha Karborskaya, & Oystein Morck (in bottom picture)

NATIONAL HONOR SOCIETY

The NHS was the largest in recent history, with 36 members. Under the leadership of C. Dalton, M. Brennan, E. Sullivan, M. Black, and B. Smallwood, dinner-party meetings were initiated and a successful Induction Ceremony was performed. Everyone diligently participated in the Food Pantry volunteering, candy sale, and donut sale. The members of NHS will never **furgit** their experience.

MATH TEAM

The Math Team has grown bigger, better, and stronger. Coach Baisden and Coach Olson have provided support and motivation to help them reach new heights. Pres. Ben Nastou, V.P. Brian Gatreau, Sec. Alex Nassopoulos and Treas. Matt Devine have kept things organized and have lead the team, along with senior members Dave McCabe, Matt McCourt, and Emily McCourt. Best Wishes to all in their mathematical pursuits.

WHHS - TV

The Hingham High School has its own television station broadcasting the school's, notices in the morning. This year the lack of willing anchors made everyday production of notices harder. In order to enhance their skills the staff visited Ch. 7 on Nov. 30, where they were given a tour by Mr. Gomez, a producer at the station. They also interviewed the weatherman, Todd Gross.

SENIOR VIDEO

Stephanie Davis and Annette Broker were the editors of the Senior Video. They spent many hours in the video editing room, compiling clips of Current Events, Sports, Graduation, etc...With the help of a few members, they produced the video successfully. Other highlights of the video included: the "Pulp Fiction" soundtrack, the "Wonder Years", and the "Friends" theme song. The video will surely be enjoyed by all.

VOLUNTEER CLUB

The Volunteer Club had more members this year than any other. In addition to the club's weekly visits to the Cohasset Knoll Nursing Home, the club decided to volunteer at the Adult Day Health Program at the Hingham Harbor House. The volunteers' dedication and overwhelming generosity made a difference, brightening the lives of many. B-4 "How about after?" B-12 "That's a vitamin!" N-39 "That's Jack Benny's age!" I-18 "I wish I was!"

DIVERSITY CLUB

The Diversity Club ended last year by electing Presidents: A. Porter & M. Brennan VPs: J. Tulis & K. Stephan Secr: J. Starsiak & K. Tully & Treas: D. Weber & J. Pollick. Thanks to a \$200 scholarship won by former pres. Eric Juhola they are planning an 8th grade diversity adventure at Bare-Cove Park this spring. Their goal is to bring the 8th graders into the high school with trust and respect for each other.

DRAMA CLUB

Co-Presidents Brain Smallwood and Ryan Stevens, Treasurer Devon Roberts, Senior Rep. Anne David, and Secretary Caitlin Harvey have had a busy year between Guys and Dolls, the Trip to New York, the Festival play The Comedy of Errors, and Senior Directed One Acts. The Drama Club certainly had its hands full this year.

THESPIANS

The Thespians are a select group of the drama club. They were required to perform in four shows and be crew members at least once. This is an international honor bestowed on many young actors and actresses. The seniors who are Thespians are S. McCracken, R. Stevens, J. Slyvester, A. Buccitelli, M. Landers, B. Clifford, J. Cumiskey, S. Gudmand, L. St. Don, C. Dalton, A. David, D. Roberts, M. Tremblay B. Smallwood, and S. Daubenspeck.

AMNESTY INTERNATIONAL

This year Amnesty International started off strong, due to the dedication of advisor Ms. Spratt. President John Hare and officers Marissa Cotsonas, Anne David, Brett Campbell, and T.Q. Wallace have been diligently helping others. The group went to the government center in Boston to write letters on behalf of victims of injustice.

ENVIRONMENTAL ACTION

The Students for Environmental Action (SEA) has given up their time to help the environment. Every Friday they crush cans and collect paper in classrooms. The officers are: Pres. Anne David, V.P. Ryan Stevens, Sec. C. Harvey, & Treas. M. Balunas.

SPANISH CLUB

This year's Spanish Club proved successful after a slow beginning. Despite an interesting Homecoming experience, the club united and visited many Spanish restaurants, watched foreign movies, and assisted in teaching Spanish to elementary school children. Annette Broker, Lauren Kelly, and Nicole Keiley, the club's tri-presidents, led this cultural group successfully.

FRENCH CLUB

This year the French Club had a great turn out , & managed to recruit Spanish and Latin Club members. Every meeting was unique: pizza followed by flicks such as "La Boum", "La Femme Nikita", etc... The Thursday night line ups will never be forgotten. Pres. J. Tulis & E. Carpenter and the other participants' continued support and involvement made for a productive year.

LATIN CLUB

Semper ubi sub ubi... Latin club presidents (consuls) Dean Hutchison, Brian Smallwood, treasurer Mike Stebbins, and secretary Jamie Harrison live by this phrase (hopefully). They had a trivia contest with their witty questions that stumped the school. At the meetings they sometimes ate pizza and watched movies (i.e. Spartacus). Although Latin is a dead language it is still alive in the hearts of the members of the Latin club.

INTERGENERATIONAL

The Intergenerational Club began the year with its annual conference. Senior citizens and students came together to discuss the issues that today's society faces. The conference also brought about the club's community service activity at a local food pantry. Together the members are earning their YEAH title, youth and elderly assisting Hingham. It was a learning experience for young and old.

OCEANOGRAPHY CLUB

The Oceanography Club had a very productive year. Pres. Susan Silverio, V. P. Dan Edson, and Treas. Shaun Gean, along with the rest of the group, visited elementary schools teaching children about aquarium animals. They also taught the children how to clean aquariums. Seniors A. Marshall, K. Marx, D. Mortland, C. Bridges, and J. Butterall also voyaged into new oceans.

HARBORLIGHT

The "Harborlight" staff tried something new - they printed the newspaper here at school. After many hours of hard work, the staff, along with Mr. Boddie, produced the "Harborlight". Subjects addressed this year included , sports teams, club activites, horoscopes , drama, music, & movie reviews. The staff's dedication, especially that of editor-in-chief Jenn Tulis, was evident in this year's "Harborlight"

CHORUS

Exchanges with Northport NY, Weston CT, Portland ME, and the European Tour have made the chorus known all over the world. Through "Ave Maria", "Faure's Requiem", Choral Spectrum's "Lonesome Road" and "I'm a Train" the chorus has exhibited their talents. The seniors are Sarah Daubenspeck (Choral Spectrum), Christie Morgan, Melissa Tremblay, Jill Sweeney, Jed Young, & Nick Lamb. May their songs always be remembered and their fun passed on.

ORCHESTRA

The Hingham High School Orchestra has flourished through the years. Most of the sixteen seniors in the orchestra have been playing together since third grade and have developed into talented musicians. President Colleen Dalton, V.P. Jeremy Blumberg, Sec. Annette Broker and Nicole Bartolotti, Treas. Katie Martin, Managers Ben Hallet and Chris MacMullen, and Librarians Emily Hawke, Beth Connolly, and Megan Black have contributed much of their time to make the orchestra a success. However,

Upper Left: String Orchestra
Upper Right: Orchestra Officers
Lower Left: Full Orchestra
Lower Right: Chamber Orchestra

the orchestra's success is mostly due to their dedicated conductor Mrs. Jane Hallett. She has kept her students interested throughout the years with her inspirational analogies (Hot Dogs) and her ability to transfer her love of music to others. Between trips to Virginia and Montreal, the Fruit Sale, and their universal tendency towards black and white, the orchestra has bonded together into a harmonious blend of wonderful musicians. Everyone will cherish their experience and look back on it fondly.

BAND

This year's band has been making sweet music under the leadership of director Mr. Wauchope, president Patty Mahoney, Vice President Mike Muldoon, Secretary Stephanie Davis and treasurer Ana McKenna. Over the past four years, the band has gone to competitions in Washington D.C., Montreal, & Virginia where this group has won numerous awards. These trips were partially funded by the fruit sale, an activity which no senior will miss. This year's highlight was a piece called Tocatta, which served as the band's competition piece.

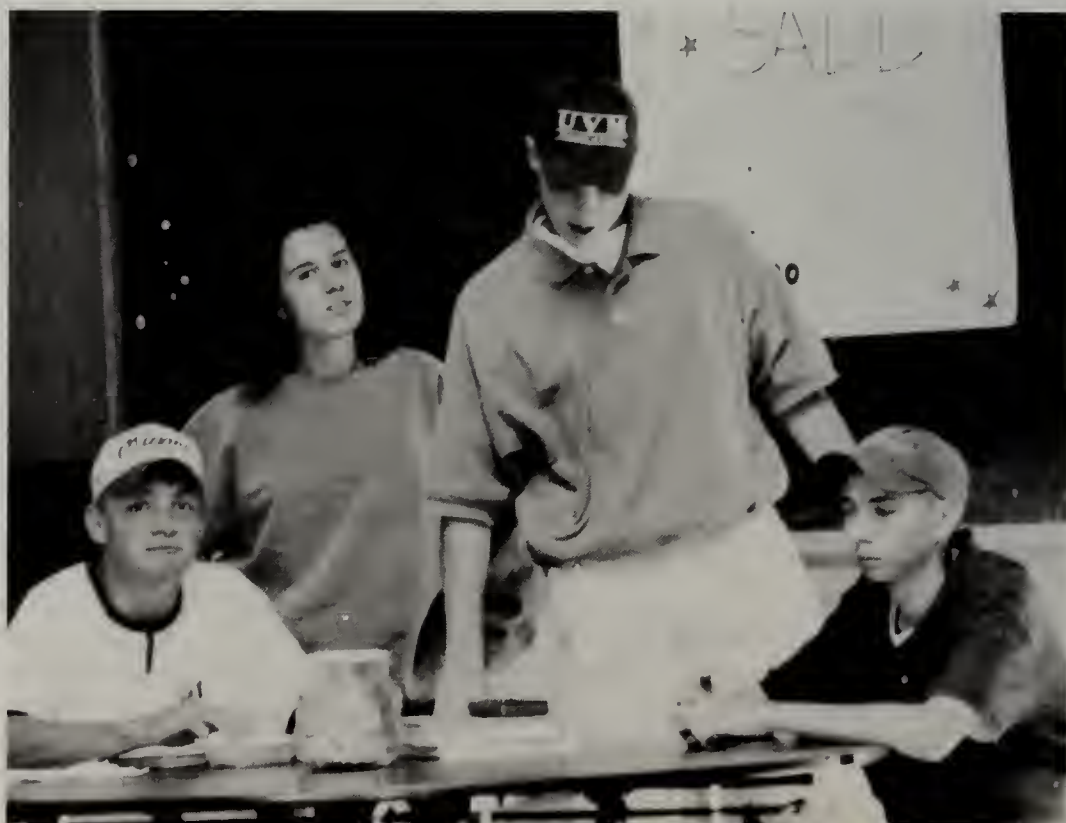

The Jazz Band members are Rich Williamson, Wes Marcks, Dave McCabe, Ian Brandt, Owen Mehegan, Mike Muldoon, Adam Florey, Dan Borger, Hugh Fornier, Bob Sullivan, and Katie Whelan (not pictured Geoff Harrison)

SADD

The SADD Officers

SADD has had a very busy year. Under the leadership of President Lynn DiBiasi, Vice President Elie Bou Serhal, Secretary Matt Goulding, and Treasurer Charlie Driggs they initiated many activities. They had a raffle at Homecoming and later on in the year they sold Dining Smart Books. They are continuing the tradition of portraying students as ghosts to heighten awareness of the dangers of drunk driving. The club cautions the school at pep rallies and over the announcements before long weekends, remember friends don't let friends drink and drive.

SNOWBALL

Smile if you're having a good time at Snowball!

Julie & Brian plan for the attack.

Snowball was a ball. The evening was marked by various movements ranging from the Electric Slide to unnameable gyrations. The highlight of the dance was unanimously agreed upon to be the variety of soda offered! The groove of Vanilla Ice, a remake of Stayin' Alive and The Beastie Boys' tunes kept us rockin' all night. And what a night it was... the last semiformal was unsettling because we knew would never dance in the cafe. again.

STUDENT LIFE

Blood Drive

This year's Blood Drive was a great success. For many weeks prior to the Blood Drive, Mrs. Duffy's Anatomy classes, co-chaired by Annette Broker and Charlie Driggs, advertised for and recruited donors. Despite a fire in the girls locker room and non-donors throwing up, the day progressed quickly. Many student volunteers helped out in various areas including Registration, Canteen, Donor and Service Areas and Bouncers; without their help, the Blood Drive would not have happened. With nine faintings, the Class of 1996 had few casualties and won't soon forget the whole bloody ordeal.

JUNIOR PROM

These are the days... As the students crowd into the cafeteria, all with gleaming faces, they know the event they have been waiting for has finally arrived; Junior Prom 1995.

Whether the night began with a fancy dinner or a three-hour photo session, everyone in the Junior class finally converged into one. We shared the excitement of an

evening full of food, dance and fun. Smiling faces, glittering dresses and great music were the memories left by Junior Prom.

Homecoming 1995

Charlie and Sarah lead the senior float to victory.

Jodi and Jill all dressed up and somewhere to go: Hingham High Homecoming.

Hingham High School Homecoming 1995 was the best display of school spirit most seniors have ever witnessed. The day started with boy's soccer at 9:00 leading up to the rest of the games, with each team coming out victorious. Of course we had our parade down Union St. in which the Senior float was clearly superior to the rest. The football game was crowded with the parents, kids, and the locals. The crowning of Marco "Meatball" Agostino and Erin Carpenter as king and queen highlighted half-time with surprise and excitement. After the football game many festivities and preparations laid in store for anxious dancers. The dance was exceptional as usual, with an overwhelming attendance, people were literally "packed in the place". Homecoming was a success, the day and the night will never be forgotten.

Stace and Ellen looking **mighty** happy: all smiles tonight!

Cassie cheers our team on. Dynamite!

The two Nicoles posing as king and queen

Sally gives some school spirit to a fan.

John and Brian stop "cutting a rug" to smile.

Pep Rallies

Beth, Matt Blair, and Emily are psyched for the pep rally to begin.

Beth and Debbie get the crowd going.

Bronwen wonders what the hell Alex is wearing.

Eric and Josh display their musical talent during the pep rally.

Tiny ironically has a big appetite.

Elie wishes all an alcohol-free weekend.

Geoff becomes the next "Phish"
in the sea of guitarists.

Fruch "thinks" he's hot
stuff mutilating a
defenseless piñata.

Fashion

When you enter Hingham High School you'll see an assortment of fashion ranging from miniskirts to button-down shirts to baggy jeans, each reflecting who we are. After 12 years of school with the same people, at the same place, somehow we've all come out looking different.

Although we have contrasting styles we share a respect for one another.

Backpacks are a must.

Popular places to shop:
The Gap, Urban Outfitters,
Army Barracks, J. Crew,
Filenes, & L.L. Bean

Guys & Dolls

Nicole and Caitlyn sing their hearts out in an amazing duet.

Here are some of the classic lines heard in the show.... "Let's shoot crap", "Sit down you're rocking the boat", "Marry the man today", "Luck be a lady tonight", "Get up you fat water buffalo", "Take back your mink", "Obedahoovious?", "Oodle, oodle". At least we know "the guys only doing it for some doll".

This year's fall musical was an incredible show. Marc Landers played Skye Masterson a well known gambler who falls in love with Sarah Brown, a mission doll, played by Nicole Bartolotti. Nathan Detroit, played by Brian Smallwood, and his fiancé Adelaide, played by Caitlyn Harvey, tied the knot after fourteen years. Anne David scared all the gamblers as Lt. Branigan. Ryan Stevens, Joe Diaz and Anthony Buccitelli played money hungry gamblers of New York City. Sarah Daubenspeck, head of the mission, and Devon Roberts helped to cleanse the evil sinners. The chorus and lead dancers added to the excellent cast. Pit '95 rocked the house- aw yeah! They did a jolly good show, "which nobody cannot deny".

The cast applauds the pit for a job well done.

Marc belts out a tune.

Dave and Ryan concentrate hard on their crap game.

Alex, Bronwen and Leigh are all dressed and ready to perform.

Brian and Anthony watch Joe as he rolls the dice. Melissa, Sarah, Devon, Anne and Colleen lend a smile.

Jed dances away during rehearsal.

Halloween

People were seeing double Lynches on Halloween.

Cleopatra wearing a lampshade? No, its just Helene Norton wearing a lampshade.

Amy and Erin organizing the infamous "Peace Now!" walkout that turned the school upside down.

All-righty then! Eric thinks he's Ace Ventura.

Bryan Ayers also over-doing Jim Carrey.

This looks like a dirty movie gone terribly wrong.

Leigh & Colleen: No PDA in the library!

Anthony took one too many trips to the punch bowl!

Josh thinks he's BAD!

Lauren is yet another victim of Matt's affection.

Dave might deny that he sleeps in class - you decide!

Tawonia, Ramona, Lisa, & Rebekah take advantage of the break from classes to relax and smile.

Sam Mortland, Clair Rancourt, Kim, Renee Batts, Crystal Pinel, Danielle Mahoney, Andrea Nutter, Susan Silverio, Clara DeJong, Mary Ray, Cassie Hurley and Jen Thorp crowd together after the class picture was taken.

YEARBOOK

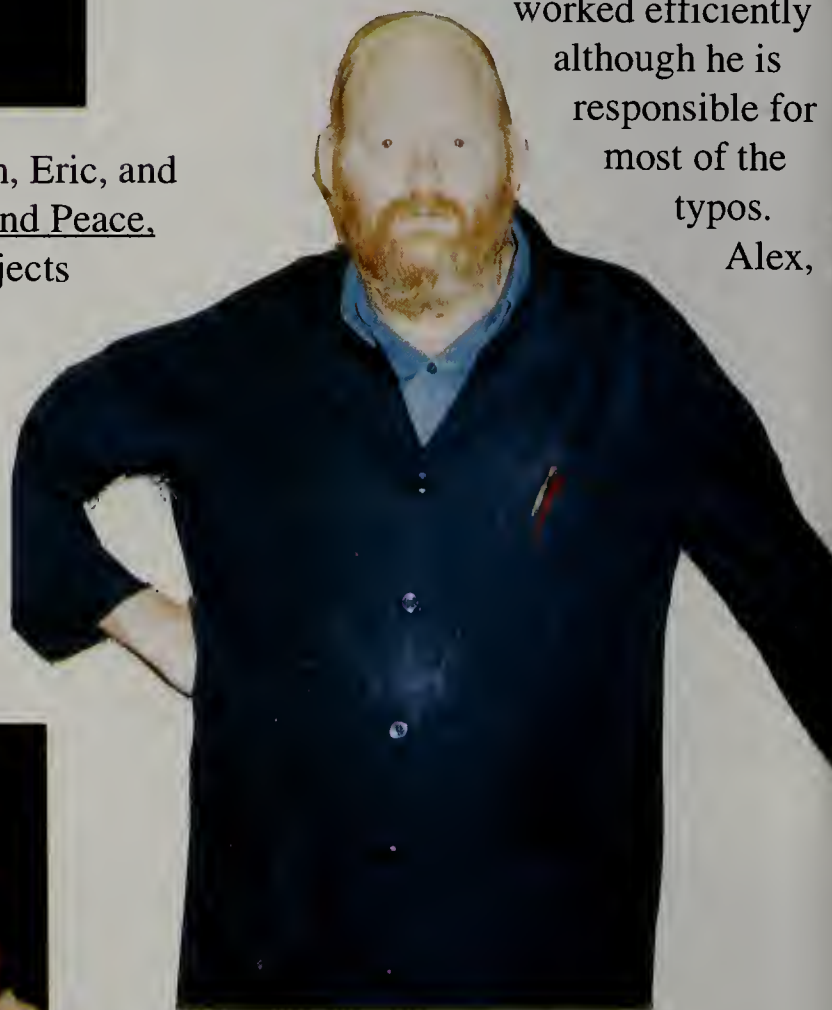

Our faithful "Layout Expert", volunteered her "F" studies. Rebekah, Eric, and Sarah W. added significant input. While Erin wrote her own War and Peace, Amy portrayed the school fashions. Heidi captured unwilling subjects and put up with our constant demands, while Lynn, Wendell, and Jeremy made incredible amounts of money to defray the Yearbook cost. Mr. Boddie always calmed our fears with his casual "It doesn't matter!". He became more than an advisor, but a friend. Others we would like to thank: the janitors who opened the doors, classmates who put up with us, and Mrs. Silva for proofreading the articles. Although yearbook was stressful at times, we will always treasure the experience. (Jean, Nancy, Lauren)

Here we are at 4:48 on a Thursday afternoon, two days before Christmas vacation. Yearbook has become more than just an outside activity, it has become a way of life. We learned early how much dedication it takes to produce a yearbook and hope our work is appreciated thirty years from now. Eight hour shifts on Sundays and staying late Friday nights when we should have been out in the fresh air have worn us down and contaminated our lungs.

However, many bright moments have overshadowed the bad. Many helpful students came through when we needed them the most. Our "Type-monkey"

worked efficiently although he is responsible for most of the typos.

Alex,

Did you let the cat out?

Amy, Nick, Bronwen, Alex, Danielle, Matt, Marc, Jeremy, Wendell, Eric, Lauren, Annette, Katie, Sarah, Katie, Becky, Lisa, Rebekah, Cristi, Julie, Blair, Jodi, Heidi, Jessica, Claire, Susan, Sarah, Erin, Lynn, Charlie, John, Matt, Nancy and Jean are the people responsible for this Yearbook.

Nancy and Lauren use art supplies to enhance their natural beauty.

The "type-monkey" Fruch takes a break to sing the National Anthem.

Alex is psyched to finish the Guys & Dolls page.

Editors: Heidi, Lauren, Marc, Erin, Blair, Wendell, Lynn, Julie, Jean, Nancy & Roy

Chemical fumes enhance Disco Fever!

Heidi prepares to take **more** pictures.

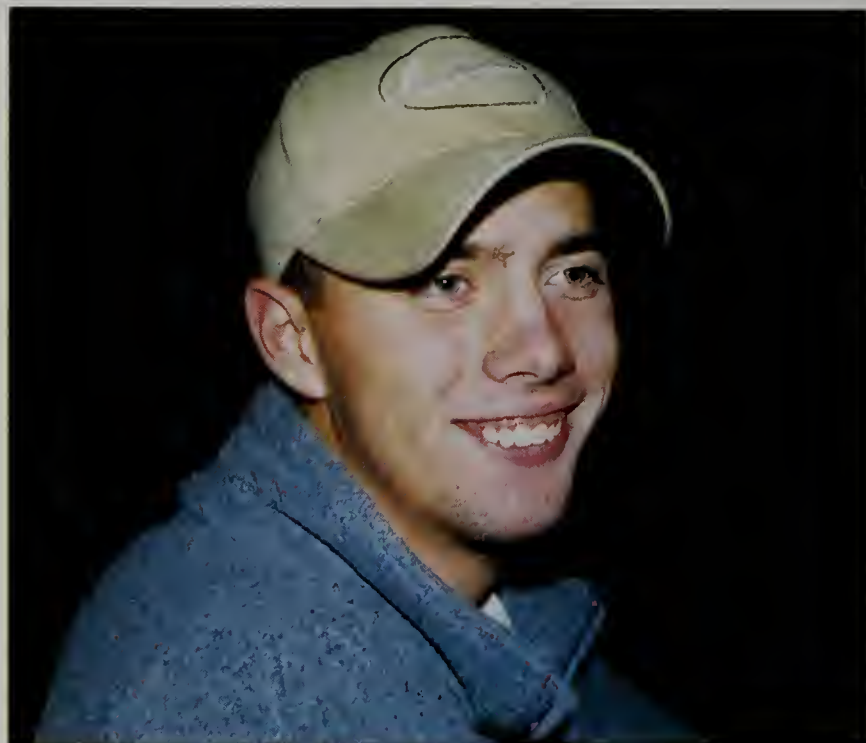

Lauren, Amy, Lynn, Eric (in red): Why aren't you guys cropping pictures?

Max is able to keep his usual composure in even the most complex situations.

Josh flashes a smile for the camera, but he misses.

Colleen concentrates on the cello.

Andrea gives us two thumbs up.

Mike and Nick think they're tough.

Beth, Mike S., Dean, Mike A., and Christina try to warm their buttocks on the radiator.

Einstein, Heidi, Sally, Lisa, and Francois take part in universal friendship.

KEEP THE FAITH, HEIDI !!!!!!!!!!!

Throughout life things will not always go as you hoped they would
There will be times when the wind will be blowing in your face rather than at your back,
When the uphill climb seems like it will never end
When there never seems to be enough money to pay for what you want or have to spend
There will be mornings when you wake and the pain seems unbearable
It is during these times that you must take a deep breath, think a pleasant thought, take a
warm shower, think of your family.....just don't you quit

For often we least expect it,
Success is closer than we think
Learn from your mistakes and failures
For success is failure turned inside out
And we never know how close we are toward reaching that goal
So keep the faith dear Heidi !!!
We know you can do it.
We have shown you the way
You have all the tools and resources you need
Now it is up to you to succeed

So keep to your goals, even when they seem so far away
It's when things seem at their worst that you must stay the course
Think POSITIVE, BE NICE and remember to KEEP THE FAITH, HEIDI !!!

We love you, Mom, Dad, Jo & Ariel

These halls that have heard all of our whispered secrets, have been stained by our tears and have echoed our triumphs are left to a summer of quiet. We will never forget our memories of high school, the good and the bad. Four years have left an indelible mark on our lives, shaping our appearance, extra-curricular activities, friends, and personality. These halls have paved the way to a bright and hopeful future. Next year they will be filled with new faces turned to the legacy of our achievements to experience their own glories. As school ends we will prepare to experience newfound freedom, maturity and a whole new set of hallways after graduation day.
